- No need to remove the plastic protective case.

Charging 3 devices simultaneously

- 3 ways for power output: wirelessly, USB-A, USB-C;
- Working safely for multiple charging simultaneously.

Specifications:

Product dimensions: 147.9 x 71.6 x 18.4mm
 Battery type: Li-polymer
 Battery capacity: 37Wh 3.7V 10000mAh
 Rated capacity: 6000mAh (5V/3A)
 Input port: USB-C
 Output ports: USB-A, USB-C
 Input power: 5V/3A, 9V/2A, 12V/1.5A

Wireless output power: 10W MAX
 Wired output power:
 - USB-A: 5V/2.4A, 9V/2A, 12V/1.5A (18W MAX)
 - USB-C: 5V/3A, 9V/2A, 12V/1.5A (18W MAX)
 - Dual-port output power: 5V/3A MAX
 Induction distance: ≤5mm
 Charging time:

- ~4 hours with 9V/2A or 12V/1.5A charger
 - ~6 hours with 5V/2A charger
 Package includes: 10000mAh Mi Power Bank 3 Pro Wireless x 1, USB-A to USB-C cable x 1, User Manual x 1

Qi standard

- Supports devices with Qi standard for wireless charging;
- Intelligently compatible with Mi 9, Mi Mix 3, iPhone XR, Samsung S9, Samsung Note 8, etc.

Safe to be carried on the airplane

- Unibody metal shell, sleek and robust;
- Anti-slip wireless charging panel;
- Compliance with International Aviation Standards, safe to be carried on the airplane.
