

## Product Highlights:

- SSD-level performance – with speeds up to 550MB/s read and 450MB/s write<sup>1</sup>
- Compact design with striking anodized aluminum with fine sandblasted finish – available in space gray
- Exceptional durability for users on the go — resists vibration and harsh temperature<sup>2</sup>
- Includes 256-bit AES encryption software solution to securely protect files
- Features a USB Type-C (USB-C) port, and includes both USB Type-C to Type-C cable and USB Type-C to standard USB Type-A cable
- Three-year limited warranty

## Capacities:

**500GB**  
(up to 550MB/s read, 450MB/s write<sup>1</sup>)

**1TB**  
(up to 550MB/s read, 450MB/s write<sup>1</sup>)

**2TB**  
(up to 550MB/s read, 450MB/s write<sup>1</sup>)

## Fast and reliable storage with metal finish

The Lexar® SL210 Portable SSD provides quick and reliable performance with speeds up to 550MB/s and 450MB/s write<sup>1</sup>. The SL210 is perfect for saving and editing hi-res photos and videos on the go with its striking space gray, anodized aluminum design with a fine sandblasted finish.

**Fast performance meets metal finish.** The Lexar® SL210 Portable SSD provides quick and reliable performance with speeds up to 550MB/s and 450MB/s write<sup>1</sup>. The SL210 is perfect for saving and editing hi-res photos and videos on the go with its striking space gray, anodized aluminum design with a fine sandblasted finish.

**Compact design with striking aluminum surface.** Made of striking anodized aluminum with a fine sandblasted finish in gray, the SL210 is as stylish as it is fast. SL210 also features a soft-touch lower enclosure which makes it comfortable when hand-held. Its slim and compact size makes it easy for you to slip it in your pocket and go. It also includes an LED activity light, so you know when your file transfer is done.

**Designed for durability.** Unlike traditional drives, the SL210 has no moving parts and a durable metal cover so it provides exceptional resilience to harsh temperatures, drop, shock and vibration<sup>2</sup>.

**Up to 2TB of storage.** For creatives who require additional room for high-res photos and videos, the SL210 is available in capacities up to 2TB of storage space for all your large projects and backups.

**Securely protect your files.** SL210 SSD includes an advanced security software solution with 256-bit AES encryption to help protect your essential files against corruption, loss, and deletion. Easily create a password-protected safe that automatically encrypts data. And for peace of mind, files that are deleted from the safe are securely erased and can't be recovered.

**Rigorously tested.** All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

*For more than 25 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit [www.lexar.com](http://www.lexar.com).*
