NeoPix 100

NPX100

Easy to connect, Ultra accessible

Meet the NeoPix 100, the budget-friendly projector designed for endless entertainment. With just the right brightness for comfortable viewing and straightforward HDMI connectivity, streaming your favorite shows and movies has never been easier.

But that's not all - the NeoPix 100 also houses a USB port that does more than just play videos, images, and music. Power your external smart dongles like Amazon Fire Stick or Chromecast, turning your projector into a versatile entertainment center.

The built-in stereo speakers provide decent sound for your on-the-go needs, and if you're craving more, simply plug in your external speakers using the 3.5mm audio jack.

Control your content from the comfort of your seat with the included remote control. Browse, play, or listen with ease and convenience.

Wrapped in a sleek, modern design with a high-gloss finish, the NeoPix 100 offers practical functionality without compromising on style.
